

Who are we?

The *Friends of St Neots Library* is a voluntary group helping to promote and publicise the library: to build awareness of the wide range of library services available to the community and to raise funds for additional services and equipment.

Why not join us?

- Help to promote library services
- Participate in fundraising events and activities
- Meet new people interested in books
- Receive early notification of upcoming events
- Take part in discussions: attend the AGM, and perhaps join the Committee
